## Passion

Jen helps entrepreneurs struggling to cross the 6 figure mark in their businesses, find and fix what is keeping them from the success they desire. When they work with her they not only get on a path to a 6 figure business, but also build their belief in themselves so they can build their bottom line year after year.

## Biography

Jen is a 6-figure business coach, author and speaker. She has been featured and recognized on ABC News and the Chicago Tribune for her work in helping others. She has also been quoted in Inc 500. Her innovative and down to earth style sets her audience at ease and empowers them to receive her inspirational and practical messages.

Jen has almost two decades of business experience and a proven track record of 6-figure and 7-figure success in traditional business, direct sales and non- profits. She has helped over a thousand women build their businesses. Many have earned 6-figures as a result of her coaching and some have earned over a million dollars doing what they love!

“If you believe it you can achieve it” is Jen’s mantra in life.

## Philanthropy

Jen Coffel is also the co-founder of Handing H.O.P.E which is a 501c-3 with a mission to "Stop Sugar" by donating naturally sugar free healthy lollipops in children's cancer hospitals, clinics and camps throughout the nation. Jen is responsible for the vision, strategy and national fundraising efforts for Handing H.O.P.E and the Lollipop tree project as it expands across the country. Jen lost her dad, her mom and her best friend all to cancer in less than a 2 years time. Out of her loss and grief she found her passion to make a difference in the lives of those battling cancer and co-founded Handing H.O.P.E.

## Books by Jen Coffel

[Choose Time and Freedom](#) Jen Coffel has over a decade of experience and a proven track record of 6-figure and 7-figure success in traditional business, direct sales and non-profits. Jen walks through seventeen business building principles including actionable steps to build a successful business in this inspiring and uplifting workbook. The imagery, quotes, affirmations and engaging questions come together in the most profound of ways giving any reader the assurance that, "If you believe it, you can achieve it!"

[Be Well Assured: At the Heart of Cancer there is H.O.P.E](#) is Jen's passion project co-authored by Kim Babilacqua. Jen and Kim share their personal sources of strength and reveal how Kim conquered fear in her cancer battle and how Jen found hope after cancer claimed the lives of her dad, mom, and best friend. No matter where you are on your personal journey, you can Be Well Assured at the heart of cancer there is HOPE.

[Overcoming Mediocrity: Remarkable Women](#) is a project, developed by the Dynamic Professional Women's Network, Inc., intended to provide women with a platform to share their stories of encouragement, inspiration and prosperity. Jen was honored to be a part of this fourth book in the series. It is a unique collection of stories from strong women who have overcome great odds to create their own lives of significance. These stories are aimed to inspire and encourage women to realize their true potential. Jen's chapter is titled "HOPE: Trials and Triumphs"
